Hello Dr. Sandell,

I am just emailing to let you know that I ran into one of the women that I tutored at Lincoln Community Center a few years ago as part of the requirements for the Human Relations in a Multicultural Society class. It was wonderful to hear from her and how she ended up doing on the basic skills test I helped her study for in her quest for a high school diploma. She remembered my name as well as thanked me again for all of the help I gave her and how much it meant to her. I didn't know if you wanted to pass it on to your current students how much of an impact this volunteering opportunity has not only on the volunteer, but also on the people we are helping during this. Thank you again for allowing me this opportunity I wasn't so sure about before I began it.

Have a wonderful week,
Chris Cronin
