An "IP" grade is given when a particular course is not designed to be completed by the end of the term. It will automatically turn to an F after one term if not completed and updated with the Registrar's Office.

An "I" means INCOMPLETE . It will automatically turn to an F after one term if not completed, and updated with the Registrar's Office.

For graduation and academic standing the university only looks at LOCAL GPA (Which needs to be a 2.0 or higher)

To figure out a students CUMULATIVE completion rate:

Divide the number of earned credits by the number of attempted credits

NOTE: If student is currently enrolled, to find CURRENT completion rate use previous semester
