NOTE: An audit is an advising document, used in conjunction with University policies to determine graduation status.

NOTE: Audits DO NOT include transfer work for students who have been admitted to MSU prior to Fall 2003.

NOTE: Audits DO include departmental substitutions/waivers for such exceptions approved after 01/01/2008.

This audit has been prepared based upon your current information on file and your catalog's requirements. Contact the department of your major to have changes made to this information.

Audits are meant to assist students in meeting their program's requirements. Students are still responsible for reading their catalog and working with their advisor.

TRANSFER CREDIT
 Transfer work is evaluated based upon MnSCU and departmental policies and is shown on this audit as well as the transfer audit students receive upon transferring to MSU. Once transfer credits have been evaluated, courses and their equivalencies should appear on this report. If you have questions about a transfer decision, please contact the Registrar's Office Transfer Evaluation Department (transfer-evaluation@msu.edu). Information about your right to appeal transfer decisions at the college (university) level and at the MnSCU System level can be found at www.mnsu.edu/registrar/tap.html

Detailed DARS information is available at the Registrar's Office website--(www.mnsu.edu/registrar).

For more detailed advising information, contact the Student Relations Coordinator for the college of your major.

Questions concerning transfer issues should be sent to: TRANSFER-EVALUATION@msu.edu.

Questions concerning your audit itself should be sent to: DARS-QUESTIONS@msu.edu.

Some courses at Minnesota State Mankato have a 'W' following their course number. This 'W' indicates that the course is considered writing intensive, which is only meaningful in regards to the Writing Intensive graduation requirement. In all other requirements you can safely assume that a course having a 'W' and the same course without a 'W' are interchangeable.
